Alex comments- Aug. 23 for aeration-Course closed (change on website)

Brightview approximate quotes for crusher run. For cart paths \$8000 materials plus \$2000 labor= \$10,000 total. Will have definite costs in the coming week.Planning for fall.

Dr. Benell, professor of agronomy, came to assess the health of the greens and he was happy with the health of the greens. Took soil samples and he will write a report. He reported that we could use more sunlight on 7 green.

Chemical locker-\$1956

Mower has still not come in. Aug. 19th is the new promised day. It is paid for, it is a supply issue.

Electrical boxes-engineer and the electrician are having a hard time correlating this. Superintendent hopes for this week.

Aerator rental. \$600 for 2 days

Bridge 16 is coming down. The steel beams are in good shape.

We are under budget for repairs, we are in good shape

Directional signage. Kevin-no report

Purchase additional equipment-The sand machine is very old \$31,000 new with all bells and whistles. Alex believes this should be number one priority. Alex will get a price for a used one. We have a good mechanic who can maintain this.

Dead trees will be taken down by Brightview, trees need to be pruned on 4 and 16 and trees near 7 green.

Skip suggested that we ask Cornell to come in and suggest trees to put in after taking down dead trees.

Asked Brightview if Poison ivy can be treated with roundup.

**Plan for proshop and outing management.-**

Skip and Bill are going to inquire with some interested parties to fill in for the rest of the year. Will he do the schedule, organize tournaments, responsible for the cash, and work shifts in the pro shop.

Plan for kids leaving in August. Mary Lynn and Pat are coming back. A posting was put out by Kim Brumley asking for workers.

Plan for tournaments that are scheduled-each commission member will take and outing to cover for planning and execution
